Some text if you feel like this suites you. Alternatively, you can also leave this out and write a separate cover letter.

Experience

01/2345 – 01/2345	**Current Position**	*Company or Institue*

Short description of what you have been doing. This can span multiple lines or be merged with the keypoints suggested below.
Supervisor (optional): *Prof. Bosmang*
Add one or two keypoints here.
Separated so they are nice to read.

01/2345 – 01/2345	**Former Position**	*Meatgrinder Inc.*

Add one or two keypoints here.
Separated so they are nice to read.

Languages

German ●●●○
English ●●●○
Klingon ●●○○
French ●○○○

Programming

C++ ●●●●
or ●●●○
similar ●●○○
things ●○○○

Education

01/2345 – 01/2345	**Master of Science** in Engineering Even Harder	*University*

Focus on automatic XYZ. (you can do a line break here)
Thesis: *Title*.

01/2345 – 01/2345	**Bachelor of Science** in Engineering of Course	*Thank you for your student fees*

Focus on automatic XYZ. (you can do a line break here). GPA: 1.0
Thesis: *De Bello Gallico*. Supervisor (optional): C. Centurio

Tools & Frameworks

PyTorch ●●●●
or ●●●○
similar ●●○○
things ●○○○

Come Up With Your Own

can be free from text here

Selected Publications

Authors. *Paper Title*. **Conference**. Year
S. Sample., O.-W. Kenobi, B. Bosmang. *Old wine in new bottles*. **Conference on Bragging About How Smart We Are**. 2345

Come Up With Your Own

if applicable, or something else

All Publications (optional)

Google Scholar 𝒢

Miscellaneous

01/2345 – 01/2345	**Special Thing You Did**	*Place or Company or Institute*

No text in this argument looks weird because of the dates which alawys span two rows.

Driver's License for Bismarck-Class Battleships
This is most likely completely irrelevant and just here to have an example without a "date" or "institution field".

Code (optional)

github
